N5LXI QSL Card Dividers

These dividers will make it easier to organize your QSL cards. Simply print out all the pages on card stock and trim, leaving a 1/8" or 1/4" border around the outer lines. A paper cutter will help. A variety of *oversize* plastic boxes are perfect for these dividers and your QSL cards. These boxes are often sold to hold CDs or video tapes. These dividers are not designed for 4x6" note card boxes.

For information about getting started on WAS and DX nets, and perhaps an update for this file, check my website www.joelsampson.com and click on ham radio. E-mail comments to joel@joelsampson.com.
